Fully loaded
The All-New 2019 Jetta has been totally redesigned from the inside out. The turbocharged 1.4 TSI engine gives you plenty of power and boasts an impressive 5.9 L/100 km highway fuel consumption rating.* The refined interior has a ton of slick new technology, like the available BeatsAudio® sound system and standard App-Connect smartphone integration. Fasten your seat belt and get ready for the joyride of your life!

* City rating is 7.6 L/100 km. Ratings based on 2019 Jetta 1.4 TSI equipped with automatic transmission. Fuel consumption ratings are estimates based on Natural Resources Canada’s (NRCan) fuel consumption criteria and approved testing methods and are provided for comparison purposes only. Please refer to nrcan.gc.ca for more information. Actual fuel consumption will vary based on driving conditions, driver habits and the vehicle’s condition, weight carried and additional equipment.

The safe side
The 2019 Jetta comes loaded with a ton of standard and available features to help keep you safe behind the wheel, including standard LED headlights and tail lights, and available driver assistance features Adaptive Cruise Control with Stop & Go, Blind Spot Detection, Lane Assist and Light Assist.*

*Driver assistance features. Drivers must continue to perform manual checks and pay full attention to the road and safe driving. Please refer to the owner's manual for feature limitations.
